Re: EEU Budget Adjustment of EEC Charge

The Village of Ludlow Electric Light Department would be able to comply with a "Board Order" to adjust that EEC rate amount charged for August usage, September billing provided it received the "Board Order" not later than August 15, 2006 and that the "Board Order" only revised the EEC amount to be changed.

John J. Collins, Jr.  
Treasurer/Controller  
Village of Ludlow  
Electric Light Department
